

SR1-MAG-320M  
Armature-Plate Housing for Mini-Maglocks

**Description**

This Armature-Plate Housing for Mini-Maglocks offers a secure solution for mounting a mini-maglock armature plate on the door without the need for drilling all the way through. This not only simplifies installation but also enhances the appearance of the setup. The plate is affixed to the door using multiple fixings, distributing the load over a larger area for added stability. **Key Features**

- Surface mount for mini magnetic locks / maglocks
- Used to avoid drilling through the door
- Lifts the armature plate off the surface of the door by 9mm
- Satin anodised aluminium finish with plastic end caps

**Product Specifications**

Weight	157 kg
Colours	Alloy
Construction	Aluminium
Brand	Smart R Distribution
Compatibility	,
Form-factor	Maglock Accessories
