

SR1-REX-STW04-VP
SR1-REX-STW04 Series White Steel Exit Push-Buttons

Description

The SR1-REX-STW04 series exit push-buttons combine contemporary design with user-friendly functionality. The sleek white steel finish adds a touch of modern style, while the large domed button ensures effortless operation. Flush mount installation provides a clean aesthetic, and clear labelling options promote intuitive use. With their stylish design, durability, and accessibility features, the SR1-REX-STW04 buttons are a valuable addition to various commercial and public building access control applications.

Key Features:

- **Modern White Steel Design:** The sleek white finish stainless steel backplate complements modern building aesthetics.
- **Large Domed Button:** The user-friendly button offers a comfortable and effortless operation experience.
- **Flush Mount Installation:** Provides a clean and integrated look into the wall surface.
- **Clear Labelling:** Available with either "**PRESS TO EXIT**" or "**DOOR RELEASE**" legends for easy identification. (Specify choice when ordering)
- **Nominal Dimensions:** 85mm x 85mm, ensuring a noticeable presence while maintaining a compact profile.
