INT-08-01-VP Intratone MIFARE Keyfobs

Description

Intratone MIFARE Keyfobs offer a reliable and convenient solution for access control applications. With their durable construction, customisable colours, and easy management features, these keyfobs are an ideal choice for businesses and individuals seeking a secure and efficient way to manage access.

Key Features:

- **MIFARE Technology:** Enables secure and reliable access control.
- Robust Construction: IP68 and IK08 ratings ensure durability in harsh environments.
- Wide Range of Colours: Choose from 10 distinct colours for easy identification and management.
- Easy Programming: USB programmer simplifies key fob setup and configuration.
- Automatic Colour Detection: Management website automatically recognises key fob colours for efficient administration.
