

AC-ISOH-LFP

Authenticard AC-ISOH-LFP: Proximity Card With HiCo Magstripe – Custom Format Encoded

Description

The Authenticard AC-ISOH-LFP is a reliable and versatile access control card that offers a combination of convenience and security. With its dual-technology capabilities and customisable options, this card is ideal for a wide range of applications, including corporate, educational, and government settings.

Key Features:

- **Proximity Technology:** Enables contactless access control for enhanced security.
- **HiCo Magnetic Stripe:** Provides additional security and compatibility with legacy systems.
- **Customisable Encoding:** Proximity card can be encoded with your specific format.
- **Durable Construction:** Composite PVC+PET construction for long-lasting performance.
- **Printable Surface:** Allows for customisation with logos, branding, and user information.
