

COM-8461M/BM

Comelit 8461M/BM 1-Way 2-Wire Quadra Kit Video Entry System with Mini – Inductive Loop

Description

This kit is similar to the 8461M kit but in addition includes inductive loop capability. The Comelit 8461M/BM 2-wire "Simplebus" video-entry system based on a "Quadra" external door panel and a "Mini" colour monitor with magnetic induction handset for wearers of hearing aids. Installation is made simple by Comelit's analogue 2-wire "Simplebus 2" technology that allows external and internal units to be up to 200 metres apart connected on 2-wire cable. The Comelit 8461M/BM kit comprises of:

- 4893 2-Wire Quadra external entry panel
- 6701W/BM 4.3" 16:9 "Mini" colour monitor with magnetic induction handset, white
- 1214/2C Video filter for Simplebus colour system
- 1216 Simplebus Kit system termination terminal
- 1209 DIN-Rail Power supply
