

DH-PFS3006-4ET-60

Dahua PFS3006-4ET-60: 6-Port 10/100Mbps Unmanaged Desktop Switch with 4 PoE Ports

Description

The Dahua PFS3006-4ET-60 is a versatile and reliable 6-port 10/100Mbps unmanaged desktop switch, designed to provide seamless network connectivity and robust Power over Ethernet (PoE) support for a variety of applications.

Key Features:

- **4 PoE Ports:** Provides power and data connectivity to PoE-enabled devices, simplifying installations.
- **Hi-PoE 60W Port:** Port 1 delivers up to 60W of power, ideal for high-power devices.
- **250m Long-Distance PoE:** Extends PoE transmission range beyond the standard 100m, allowing for flexible deployments.
- **PoE Watchdog:** Automatically detects and resets unresponsive PoE devices, ensuring network stability.
- **Intelligent PoE Power Management:** Prioritises power delivery to critical ports and prevents overloads.
- **All-Metal Design:** Durable metal housing for excellent heat dissipation and reliable performance in harsh environments.
- **Unmanaged Operation:** Plug-and-play simplicity for easy setup and use.
