

DH-NVR4208-8P-I
Dahua NVR4208-8P-I 8-Channel 1U 8PoE WizSense Network Video Recorder

Description

Dahua new NVR4208-8P-I network video recorder delivers excellent performance and high recording quality that is ideally suitable for IP video surveillance applications. This NVR adopts powerful processor, providing the capability of 4K resolution processing for applications where image details are highly required. Besides, the NVR supports input, recording and transmission functions. Additionally, the NVR can be served as edge storage, central storage or backup storage with an intuitive shortcut operation menu for remote management and control. WizSense is a series of AI products and solutions that adopt independent AI chip and deep learning algorithm. It focuses on human and vehicle with high accuracy, enabling users to fast act on defined targets. Based on Dahua's advanced technologies, WizSense provides intelligent, simple and inclusive products and solutions.

- Perimeter Protection
- Face Detection
- Face Recognition
- Image Search
- Heat Map
- ANPR
- Black List Alarm
- People Counting
- False Alarm Filter
- SMD Plus (Smart Motion Detection)

Product Specifications

Weight	3720 kg
Brand	Dahua Technology
Storage	None
Storage-capacity-max	2 x SATA III ports, up to 10TB for a single HDD
Output-protocol	HDMI, VGA
Power-requirement	100-240VAC
