

SR1-KSW-401F

Maintained 3-Position Key Switch: With AUTO/ON/OFF Labels

Description

This is a versatile, single-gang, maintained 3-position key switch designed to control access or system states across three distinct modes: "**AUTO - ON - OFF**". Constructed from durable brushed stainless steel for a professional finish, it is designed for secure, flush-mount installation, making it suitable for a wide range of commercial and industrial access control applications.

Key Features:

- Brushed Stainless Steel Key switch
- Single-Gang 85mm x 85mm
- 3 Position
- Flush-Mount
- Single-Pole COM/NO/NC Contact
- Two Keys Included (Keyed Alike)
- Key can be removed in both positions
