

COM-6601W

Comelit 6601W Icona Colour LCD Monitor – Simplebus 2

Description

PRODUCT CODE: 6601W Icona colour monitor with 4.3" 16/9 screen, full-duplex hands-free audio and touch-sensitive capacitive buttons. The Comelit 6601W Icona Colour LCD Monitor can be surface mounted or flush mounted. It is powered by the Comelit Simplebus 2 door entry system, so there is no need for a separate power supply. User code programming via 2 x 8-position DIP switches. Includes riser distribution terminal and fitting frame for installing onto back-box.

- Hands-free full-duplex audio
- Large, clear touchscreen display
- Touch-sensitive capacitive buttons
- Adjustable backlighting intensity, contrast, audio volume, and ringtone volume
- Door open and new message indicator LEDs
- Ringtone and video memory function with customizable absence message
- Alarm and panic inputs
- Micro SD card slot
- Programmable buttons

Note: Installation requires a flush-mount box for plasterboard (p/n 6617), standard flush-mount box (p/n 6117) or surface-mount box (p/n 6120) that is not included with the Icona monitor.
