

INT-02-013-VP

Intratone Reno Scrolling Intercom Kit For Up To 200 Users

### Description

The Intratone Reno Scrolling Intercom Kit is a comprehensive and stylish intercom system designed for multi-residential and commercial buildings, requiring secure access control for up to 200 users. This kit combines a sleek design with advanced features to deliver a seamless and secure communication experience.

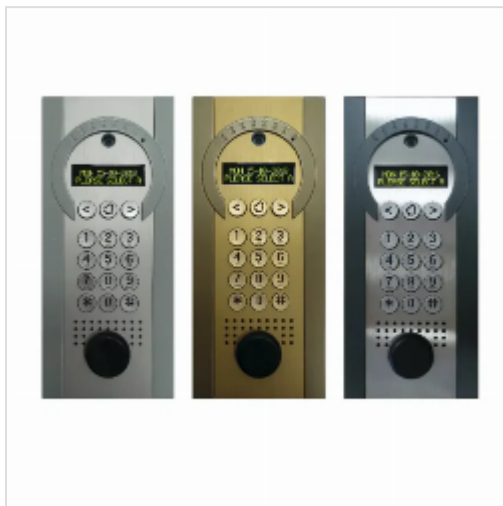

The Intratone Intercom Kit features an Intratone SC-01 / RENO with digital scrolling display for name/flat selection, a keypad for manual entry, and a proximity reader for hands-free access. The intercom is also vandal-resistant and weatherproof, making it suitable for both indoor and outdoor use.

### Key Features

- **Stylish Design:** The Intratone Reno Scrolling Intercom Kit is available in three finishes - Anthracite/Silver, Platinum/Silver, and Gilded/Gold - to complement any building aesthetic.
- **Advanced Functionality:** Features a 12-button backlit coded keypad, proximity reader, and name scrolling display for enhanced user convenience.
- **Versatile Communication:** Supports both audio and video communication for seamless interaction between residents and visitors.
- **Secure Access Control:** Provides secure access control for up to 200 users with customisable access settings.
- **Easy Installation:** Designed for flush mounting for a clean and professional installation.
- **Durable Construction:** Vandal-resistant and weatherproof design to withstand the elements and provide long-lasting performance.

*\*Intratone Reno Scrolling Intercom Kit comprises of SC-01 door panel and 1-door controller. \*Requires [12VDC 5A PSU](#) & [Transmission Unit & Export Data Per User](#).*
