

DH-IPC-HDW3849HP-AS-PV-0280S-S3

Dahua DH-IPC-HDW3849HP-AS-PV TiOC 2.0 8MP Eyeball IP Camera with 2.8mm Fixed Lens

Description

The Dahua DH-IPC-HDW3849HP-AS-PV TiOC 2.0 8MP Eyeball IP Camera with 2.8mm Fixed Lens delivers exceptional image quality, intelligent features, and proactive deterrence in a user-friendly package. This fixed-focal eyeball camera is ideal for homes, businesses, and other applications requiring comprehensive security monitoring and clear evidence capture.

Key Features:

- **Exceptional 8MP Resolution:** Capture breathtakingly detailed images and recordings with the high-performance 8MP sensor, delivering up to 3840 x 2160 resolution for unmatched clarity.
- **Smooth Streaming and Efficient Storage:** Utilise the advanced H.265 codec to enjoy smooth video playback while minimising storage requirements and bandwidth usage.
- **Built-in IR LED:** Provides crisp night vision up to 30 metres, ensuring clear monitoring even in low-light conditions.
- **Warm Light:** Activates upon detection, deterring intruders and illuminating the scene for colour recordings, enhancing evidence capture.
- **AI-Enhanced Coding:** Adapts automatically to optimise image quality and reduce storage needs based on the content, ensuring efficient resource utilisation.
- **Wide Dynamic Range (WDR):** Balances exposure in challenging lighting conditions, capturing details in both bright and dark areas.
- **3D Noise Reduction:** Delivers clear images even in low-light environments by effectively minimising noise.
