Dahua IPC-HFW3849T1-AS-PV – 8MP Smart Network Bullet Camera with TiOC 2.0 Active Deterrence

Description

The Dahua IPC-HFW3849T1-AS-PV - 8MP Smart Network Bullet Camera with TiOC 2.0 Active Deterrence, combines exceptional image quality, intelligent features, and proactive deterrence in a weatherproof bullet camera design. This versatile security solution is ideal for homes, businesses, and other applications requiring comprehensive monitoring and clear evidence capture, even in challenging lighting conditions.

Key Features:

- **Exceptional 8MP Resolution:** Capture sharp and detailed images and recordings with the high-performance 8MP sensor, delivering up to 3840 x 2160 resolution for unmatched clarity.
- **Built-in IR LED:** Provides crisp night vision up to 30 meters, ensuring clear monitoring even in low-light conditions.
- **Warm Light:** Activates upon detection, deterring intruders and illuminating the scene for colour recordings, enhancing evidence capture.
- **AI-Enhanced Coding:** Adapts automatically to optimise image quality and reduce storage needs based on the content, ensuring efficient resource utilisation.
- **Intelligent Intrusion and Tripwire Detection:** Accurately classifies and detects vehicles and humans, minimising false alarms.
- **Multiple Abnormality Detections:** Monitors for various events like motion, privacy masking violations, scene changes, audio anomalies, network issues, and more, providing comprehensive security coverage.
- **12 VDC/PoE Power Supply:** Offers flexible installation options with both DC and PoE power support.
- **IP67 Weatherproof:** Withstands harsh weather conditions, ensuring reliable operation outdoors.
