ANO-L7012R
Hanwha ANO-L7012R A-Series 4MP Fixed-Focal IR Bullet Camera

Description

The Hanwha ANO-L7012R delivers exceptional 4MP image quality, powerful night vision, and advanced features in a weatherproof design. This versatile bullet camera is ideal for various security applications, offering comprehensive monitoring capabilities and peace of mind. Whether you need to monitor a wide open space or a narrow hallway, the Hanwha ANO-L7012R 4MP IR Bullet Camera delivers exceptional security performance with advanced features and reliable construction.

Key Features:

- **Sharp, high-resolution video:** Capture detailed footage in 4MP (2560 x 1440) resolution for accurate identification, even in challenging lighting conditions.
- **Clear night vision:** See clearly in darkness with a built-in infrared illuminator effective up to 20 meters. ([Night Vision Capability])
- **Wide field of view:** Monitor a broad area with the 98.3° horizontal field of view provided by the 3mm lens. ([Coverage Area])
- **Multiple streaming options:** Choose the optimal video stream for your network bandwidth and recording needs with support for H.265, H.264, and MJPEG codecs.
- **Exceptional image quality:** Wide Dynamic Range (WDR) ensures clear images even in scenes with high contrast between light and dark areas.
- **Advanced analytics:** Built-in features like motion detection, tampering detection, defocus detection, virtual area/line detection, and more provide comprehensive security monitoring.
- **Flexible storage:** Expand storage capacity with a Micro SD/SDHC/SDXC card slot supporting up to 128GB for local recording.
- **Power over Ethernet (PoE):** Simplifies installation with a single cable for both power and data.
- **Hallway view:** Efficiently monitor narrow spaces like corridors with 90° and 270° rotation options.
- **Durable construction:** Weatherproof with an IP66 rating, ensuring reliable performance in various environments.
