### COM-AC67-VP Comelit Logos Wall Brackets For Hands-free and Monitor with Handset

### Description

The Comelit Logos Wall Brackets offer a practical and versatile solution for mounting your Logos series door entry monitors. These wall brackets promotes user convenience, space efficiency, and a clean aesthetic, making them ideal for various residential and commercial door entry applications.

#### **Key Features:**

- Designed for Logos Monitors: Ensures perfect compatibility with your Logos series intercom monitors.
- Wall-Mounted Installation: Enables you to securely mount the monitor on a wall for convenient user interaction.
- Flexible Cable Routing: Allows for external routing of cables, promoting a clean and organised installation.
- Durable Construction: Made from high-quality materials to guarantee long-lasting performance.
