

DHI-ARD323-W2(868)
Dahua DHI-ARD323-W2(868) AirShield Magnetic Door Detector

Description

The Dahua DHI-ARD323-W2(868) AirShield Magnetic Door Detector is a valuable addition to any home or business security system. This wireless detector offers easy installation, reliable door and window detection, real-time status monitoring, and convenient mobile app integration. With its user-friendly features and effective monitoring capabilities, this magnetic door detector provides an additional layer of security for your peace of mind.

Key Features:

- **Wireless Connectivity:** Provides a simple and hassle-free installation process without complex wiring.
- **Magnetic Sensor:** Detects unauthorised opening or closing of doors and windows when the system is armed.
- **Real-Time Status Monitoring:** View the open/closed status of doors and windows through the Dahua DMSS mobile app for remote monitoring.
- **Timely Alarm Notifications:** Receive instant notifications on your mobile device in case of unauthorised door or window opening.
- **Signal Strength Detection:** Monitors the signal strength between the detector and the hub for optimal performance.
- **Low Battery Alarm:** Provides timely notification when the detector's battery needs replacement.
- **Temperature Monitoring:** Monitors its operating temperature for potential maintenance needs.
- **Frequency Hopping and Two-Way Communication:** Guarantees secure and reliable communication between the detector and the alarm hub.
- **Cloud Updates and Automatic Recovery:** Benefits from automatic firmware updates through the cloud and automatic recovery from failed updates for a smooth user experience.
