SPC-4320.320 Compact Kit
Acre SPC4330 Compact Kit: Streamlined Security Solution for Homes and Businesses

Description

The Acre SPC4330 Compact Kit provides a well-equipped security solution for homes and businesses seeking a balance of features and ease of use. The combination of the SPC4320 control panel's advanced capabilities and the SPCK520 keypad's intuitive interface allows for effective security management and control. With its scalability, optional features, and user-friendly design, the SPC4330 Compact Kit empowers you to safeguard your property with confidence.

The Acre SPC4330 Compact Kit Includes:

- **1x SPC4320.320-L1 Control Panel:** Provides advanced functionalities for intrusion detection, access control, and system configuration.
- **1x SPCK521.100-N Keypad:** Offers a user-friendly interface for system operation, arming/disarming, and status monitoring.

Overview:

- **100 Users:** Manages access for a large number of users with individual permissions.
- **32 Zones:** Accommodates a variety of security sensors and detectors.
- **30 Outputs:** Enables control of various security devices and automation features.
- **4 Keypads:** Provides convenient system control from multiple locations.
- **4 Doors:** Manages access control for up to four entry points.
- **4 Areas:** Allows for independent security settings for up to 4 defined areas.
