

INT-09-0101

Intratone 09-0101 – 2 Channel RF Remote Control

Description

The Intratone 09-0101 2-Channel RF Remote Control is a reliable and user-friendly solution for controlling various devices and access points. With its durable construction, easy-to-use design, and reliable RF technology, this remote control offers a convenient and efficient way to manage your property.

Key Features:

- **2-Channel Functionality:** Control two separate devices or access points.
- **RF Technology:** Ensures reliable and secure communication with compatible receivers.
- **Durable Construction:** IP54 rating protects against dust and water for long-lasting performance.
- **Easy-to-Use Design:** Intuitive controls for simple operation.
- **Battery Saver Feature:** Optimises battery life with a long-push equivalent to two short pushes.
