

BAS-BR-AA7-VP

BAS-IP BR-AA7 – Intercom Rain Shield In Stainless Steel or Aluminium (Optional)

Description

The BAS-IP BR-AA7 intercom rain shield is an essential accessory for protecting your BAS-IP entrance panel from the elements. With its durable construction and easy installation, this rain shield ensures reliable performance and long-lasting protection for your outdoor access control system.

Key Features:

- **Custom-Fit Design:** Specifically designed to protect BAS-IP AA-07 series entrance panels.
- **Weatherproof Protection:** Shields your device from rain, snow, and other environmental factors.
- **Durable Construction:** Made of high-quality stainless steel or aluminum for long-lasting durability.
- **Easy Installation:** Simple mounting process for quick and convenient setup.

Available Models:

- **BAS-IP BR-AA7 Silver** - Aluminium Rain Shield and wall mounting bracket for AA-07BD, AA-07FB, AA-07FBI, and AA-07FBC multi-apartment Entrance panels.
- **BAS-IP BR-AA7 Stainless** - Stainless Steel Rain Shield and wall mounting bracket for AA-07BD, AA-07FB, AA-07FBI, and AA-07FBC multi-apartment Entrance panels.
