

IPC-HDW3849H-AS-PV-PRO-VP
Dahua IPC-HDW3849H-AS-PV-PRO: 8MP TiOC Pro Fixed-Focal Turret IP Camera

Description

The Dahua IPC-HDW3849H-AS-PV-PRO is a high-performance 8MP TiOC Pro fixed-focal turret IP camera. This next generation of Tioc Pro network cameras are designed to deliver exceptional surveillance capabilities and are equipped with advanced AI technology. This camera offers intelligent features, superior image quality, and robust security measures.

Key Features:

- **8MP High-Resolution Sensor:** Captures detailed and clear images in various lighting conditions.
- **Smart Dual Light Technology:** Automatically switches between IR and white light for optimal visibility.
- **AI-Powered Analytics:** Includes SMD 4.0 for accurate motion detection and target classification.
- **Active Deterrence:** Built-in siren and light alarm for effective intrusion prevention.
- **Cybersecurity:** Robust security measures protect against cyber threats.
- **Weatherproof Design:** IP67 rating for outdoor use and harsh environments.
- **Flexible Integration:** Compatible with a wide range of VMS platforms.
