

IPC-HFW3649T1-AS-PV-PRO-VP

Dahua IPC-HFW3649T1-AS-PV-PRO: 6MP TiOC Pro Fixed-Focal Network Bullet Camera (Optional Lens Size)

Description

The Dahua IPC-HFW3649T1-AS-PV-PRO is a powerful network bullet camera that offers exceptional surveillance capabilities. With its advanced features, high-quality video, and active deterrence options, this camera is an ideal choice for businesses and organisations seeking a comprehensive security solution.

Key Features:

- **6MP High-Resolution Sensor:** The Dahua IPC-HFW3649T1-AS-PV-PRO Captures detailed and clear images for precise identification and analysis.
- **Smart Dual Light Technology:** Automatically switches between IR and white light for optimal visibility in various lighting conditions.
- **Active Deterrence:** Built-in siren and light alarm to deter intruders and alert personnel.
- **AI-Powered Analytics:** Utilises AI algorithms for intelligent functions like intrusion detection, tripwire detection, and target classification.
- **One-Tap Disarming:** Conveniently enable or disable event linkages for efficient management.
- **Enhanced Cybersecurity:** Robust security measures protect against cyber threats.
- **Weatherproof Design:** IP67 rating for outdoor use and harsh environments.
- **Wide Dynamic Range:** Provides clear images in challenging lighting conditions.
- **Flexible Lens Options:** Available with either a 2.8mm or 3.6mm lens to suit your specific needs.

Please Select From The Following Models:

- **2.8mm Lens:** DH-IPC-HFW3649T1P-AS-PV-0280-PRO
- **3.6mm Lens:** DH-IPC-HFW3649T1P-AS-PV-0360-PRO
