

KFS-PA2SW

Knight Fire & Security PA2SW: Grade 3 Side-Push Alarm Panic Button

Description

The PA2SW from Knight Fire & Security, is a reliable Grade 3 panic button designed to provide swift and effective security solutions. With its side-push activation and tamper-proof design, this alarm panic button offers peace of mind for homes and businesses alike.

Key Features:

- **Grade 3 Security:** Meets stringent industry standards for security and reliability.
- **Double Side-Push Activation:** Ensures accidental activation is minimised.
- **Tamper-Proof Design:** Detects and alerts you to any attempts to tamper with the device.
- **Easy Installation:** Simple to install and configure.
- **Reliable Operation:** Utilises high-quality microswitch technology.
- **Compact and Discreet:** Sleek design blends seamlessly into any environment.
