Dahua XVR5216AN-I3 – 16-Channel Penta-brid XVR – 5MP Value/1080P 1U 2HDDs

Description

The Dahua XVR5216AN-I3 is a high-performance 16-channel Penta-brid XVR, designed to deliver exceptional video surveillance capabilities. This versatile device supports a wide range of video formats, including HDCVI, TVI, AHD, CVBS, and IP, providing flexibility and scalability for your security system.

Key Features:

- **Advanced AI Capabilities:** Leverages powerful AI algorithms for face detection, recognition, perimeter protection, and SMD Plus, enabling intelligent video analytics.
- **High-Resolution Recording:** Supports up to 5MP resolution for crystal-clear video quality.
- **Flexible Connectivity:** Accommodates up to 24 IP cameras for comprehensive surveillance coverage.
- **Robust Security:** Enhances security with tamper detection, motion detection, and other advanced alarm features.
- **User-Friendly Interface:** Intuitive web interface for easy configuration and monitoring.
- **Reliable Performance:** Built with a durable design and advanced hardware for long-lasting operation.
