

ARN-1610S
Hanwha Vision ARN-1610S – A-Series 16-Channel PoE NVR

Description

The Hanwha Vision ARN-1610S is a high-performance 16-channel PoE NVR designed to deliver exceptional video surveillance capabilities. This robust device offers a powerful combination of features and performance, making it an ideal solution for a wide range of security applications.

Key Features:

- **High-Resolution Recording:** Supports up to 8 megapixel resolution for crystal-clear video quality.
- **Advanced Video Compression:** H.265, H.264, and MJPEG codecs for efficient storage and bandwidth usage.
- **Powerful Network Capabilities:** Supports up to 16 PoE cameras and offers high-speed network connectivity.
- **User-Friendly Interface:** Intuitive interface for easy installation, configuration, and monitoring.
- **Robust Security:** Enhanced security features, including user access control and data encryption.
- **Flexible Connectivity:** Supports various network protocols and integrates seamlessly with other security systems.
- **P2P service (QR code connect)** for easy remote access with Wisenet Viewer & Wisenet Mobile

Product Specifications

Weight	kg
Brand	Hanwha Vision
Video-channels	16 Channels
Storage-capacity-max	2 SATA Ports (6TB each (12 MAX))
Storage	None
Operating-temperature	0°C to 40°C
Video-output	1 x HDMI
Product-range	A-Series
