

KFS-A81-VP

Knight Fire & Security A81 Series – Grade 2 – 4-Wire Potted Contact with 300-350mm Cable

**Description**

The Knight Fire & Security A81 series offers a range of high-quality, flush-mounted contacts designed to enhance the security of your property. These versatile contacts are ideal for various applications, including residential and commercial settings.

**Key Features:**

- **Grade 2 Security:** Meets industry standards for security and reliability.
- **4-Wire Connection:** Provides flexible installation options and compatibility with various control panels.
- **Potted Construction:** Ensures protection against moisture and dust for reliable performance in demanding environments.
- **Tamper-Resistant Design:** Detects and alerts you to any attempts to tamper with the device.
- **Colour Options:** Available in white and brown to match your décor.
- **Available Options:**
  - **A81:** Standard Normally Closed (NC) configuration - White.
  - **A81B:** Standard Normally Closed (NC) configuration - Brown.
  - **A81NO:** Normally Open (NO) configuration for specific applications.

**Available Options:** Choose from A81 (White: normally closed), A81B (Brown: normally closed), and A81NO (White: normally open) to suit your specific needs.
