

KFS-YEND24-VP

Knight Fire & Security YEND24 – Grade 2 – Small Surface Contact With Selectable Resistors

**Description**

The Knight Fire & Security YEND24 series is a high-performance, Grade 2 surface contact designed for reliable intrusion detection and is available in white, brown, or black. This compact and versatile contact offers a range of features to enhance the security of your property.

**Key Features:**

- **Grade 2 Compliance:** Meets industry standards for security and reliability.
- **Selectable Resistors:** Compatible with a wide range of control panels, including Honeywell, Ademco, and more.
- **Double Door Compatibility:** Ideal for use on double doors.
- **Tamper-Resistant Design:** Detects and alerts you to any attempts to tamper with the device.
- **Improved Design:** Enhanced cable entry points and internal space for easier installation.
- **Compact Size:** Discreet and unobtrusive design for easy installation.
- **Colour Options:** Available in white (YEND24), Black (YEND24BK), and brown (YEND24B) to match your décor.
