

DH-XVR5108HS-4KL-I3-VP-1

Dahua XVR5108HS-4KL-I3 – WizSense 8-Channel Pentabrid DVR – 5MP Compact 1U 1HDD

Description

The Dahua XVR5108HS-4KL-I3 is a versatile and efficient 8-channel Pentabrid DVR, designed to meet the needs of various security applications. This compact device offers a powerful combination of advanced features and high-performance video recording.

Key Features:

- **Advanced AI Capabilities:** Leverages powerful AI algorithms for face detection, recognition, perimeter protection, SMD Plus, and quick target retrieval.
- **High-Resolution Recording:** Supports up to 4K resolution for crystal-clear video quality.
- **Flexible Connectivity:** Accommodates a wide range of video inputs, including HDCVI, AHD, TVI, CVBS, and IP.
- **Efficient Compression:** Smart H.265+ and H.265 encoding for optimised storage and bandwidth usage.
- **User-Friendly Interface:** Intuitive interface for easy configuration and monitoring.
- **Robust Security:** Enhances security with tamper detection, motion detection, and other advanced alarm features.

Available as a base DVR, or with a choice of Solid State HDD
