

BAS-AZ-07LF-VP

BAS-IP AZ-07LF: 7-inch IP Indoor Video Phone with Wi-Fi

Description

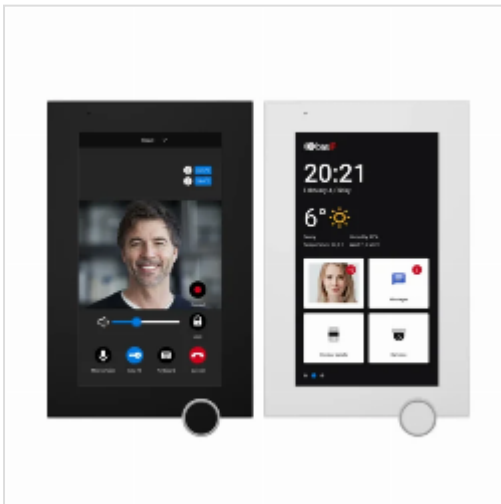

The BAS-IP AZ-07LF is a modern 7-inch IP indoor video phone, offering a sleek and intelligent solution for apartment and home communication. Running on Android 10.0 and featuring integrated Wi-Fi, this device provides intuitive control over your intercom system and smart home features, all while maintaining high security standards (IASME Level 2 accredited).

Key Features:

- **Centralised Control:** Manages intercom calls, monitors cameras, and controls smart home devices from a single, intuitive interface.
- **Enhanced Security & Privacy:** Monitor multiple cameras, manage call settings, and protect personal space with Do Not Disturb modes.
- **Modern User Experience:** The Android OS and touchscreen provide a familiar, app-driven experience, making it easy for users of all ages.
- **Flexible Installation:** Wi-Fi and multiple power options simplify deployment in various residential settings.
- **Customisable & Expandable:** Supports custom ringtones, third-party apps, and extensive connections to other panels and cameras, adapting to evolving needs.
- **IASME Level 2 Accreditation:** Ensures a high standard of cybersecurity for your communication system.

Select From The Following Colours:

- **BAS-IP AZ-07LF-B** - Black
- **BAS-IP AZ-07LF-W** - White
