STEALTHNT200S
STEALTHNT200S: Black No Touch Door Release Button with Backbox

Description

The STEALTHNT200S is a sleek, black no touch door release button , featuring a hygienic, contactless infrared sensor. This Stealth Locking device is activated by a simple hand wave, making it an ideal solution for sterile environments and high-traffic areas. It comes complete with a single-gang stainless steel back-box for surface mounting.
