

STEALTH04-VP

STEALTH04 Series: Slimline Unmonitored Double Mini-Maglock with Door Status (Optional)

Description

The STEALTH04 series offers a sleek, compact, and powerful solution for securing double doors. These slimline, unmonitored mini-maglocks provide a substantial 600lb (275kg) of holding force and are ideal for a wide range of indoor applications. Finished in a modern stealth black, the series is available in two variations: the standard STEALTH 04, and the STEALTH 04DS, which includes the additional feature of door position monitoring.

Technical Information:

- **Holding Force:** Up to 275kg (600lb)
