

EAT-PAN-80HE-KPZ

Scantronic PAN-80HE-KPZ: 80 Zone Hybrid Intrusion Panel and KPZ Keypad

Description

The Scantronic PAN-80HE-KPZ is a powerful and versatile hybrid intrusion control panel supplied complete with a KPZ keypad. Designed for scalable security, this system provides a robust Grade 2 solution for medium to large residential properties and commercial installations. It leverages a combination of 40 zones out-of-the-box (expandable to 80) and features built-in Ethernet connectivity, enabling seamless integration with the Eaton SecureConnect cloud for smart security management and remote servicing.
