

EAT-PAN-100WE-KPZ

Scantronic PAN-100WE-KPZ: 100 Zone Expandable Hybrid Control Panel with Prox Keypad

Description

The Scantronic PAN-100WE-KPZ is a robust and flexible hybrid intrusion panel designed for smaller Grade 2 installations, such as small-to-medium-sized buildings. This unit provides a comprehensive security foundation, combining a capable control panel with a wired KPZ keypad that includes a built-in proximity reader and two onboard zones. With 10 wired zones out of the box, the panel is fully expandable up to 50 zones using a mix of wired and wireless expanders. Its built-in Ethernet ensures it is SecureConnect enabled for free cloud management right away.
