EAT-PAN-200WE-KPZ
Scantronic PAN-200WE-KPZ: 200 Zone Hybrid Control Panel with Proximity Key pad (Grade 2 or 3)

Description

The Scantronic PAN-200WE-KPZ is a high-capacity, professional-grade hybrid intrusion panel designed for large domestic, commercial, and high-risk environments. This powerful panel starts with 10 wired zones and is massively expandable up to 200 zones, supporting both wired and wireless detection. Crucially, the system can be configured to meet EN 50131 Security Grade 2 or Grade 3, making it suitable for high-value properties. It includes a wired KPZ keypad with a proximity reader and features built-in Ethernet for complimentary access to the Eaton SecureConnect cloud service.
