

EAT-DET-2R-SDC-VP

Scantronic DET-2R-SDC Series: Wireless Door Contact and Shock Sensor in 3 Colours – Grade 2

Description

The Scantronic DET-2R-SDC series provides a comprehensive perimeter protection solution by combining a magnetic door contact and a high-sensitivity shock (vibration) sensor into a single, discreet wireless unit. Designed for Grade 2 installations, this device offers reliable, two-way communication and is available in three colors (White, Brown, Grey) to blend seamlessly with various door and window frames. The combined technology ensures maximum security against both opening and forced entry attempts.

Technical Specifications

- **Technology Type:** Combined (Magnetic/Vibration)
- **EN 50131 Grade:** 2
- **Connection:** Radio (Wireless)
- **Free Space Radio Range:** 700 m (free space)
- **Typical Battery Life:** 24 months
- **Battery Type:** 3V CR123 (Quantity 1)
- **Tamper Protection:** Yes
- **Environmental Class:** Class II / **IP40** (Indoor Use)
- **Operating Temperature Range:** -10 °C to +55 °C
- **Dimensions (H x W x D):** 103 mm x 19 mm x 24 mm
