

EAT-DET-XCELWPT

Scantronic XCELWPT: Wired Passive Infrared Motion Detector – Grade 2

Description

The Scantronic XCELWPT is a high-quality, wired Passive Infrared (PIR) motion detector from Eaton, specifically engineered with pet tolerant (or pet immune) technology. Designed for reliable interior use in homes and businesses, this sensor accurately detects human movement while ignoring pets, minimising the risk of false alarms. The clean, white plastic housing ensures a discreet, surface-mounted installation.

Technical Specifications
