EAT-KEY-KPZ01
Scantronic KEY-KPZ01: Grade 3 Bus Mounted Keypad with Prox Reader and Two Zones

Description

The Scantronic KEY-KPZ01 is a high-security, wired keypad designed for use with Scantronic's Bus Mounted intruder alarm panels that are configured for Grade 3 installations. Featuring a built-in Proximity (Prox) Reader and two dedicated Zone Inputs, this keypad provides a robust point of control and localised expansion for commercial and high-risk environments where security integrity is paramount.
