EAT-KEY-KP01
Scantronic KEY-KP01: Grade 3 Wired Keypad with Built-In Prox Reader

Description

The Scantronic KEY-KP01 is a secure, wired keypad designed for use in EN 50131 Grade 3 intruder alarm systems, making it suitable for high-risk applications. This model connects via the panel's communication bus and features an integrated Proximity (Prox) Reader, providing a convenient and highly secure method for users to set and unset the system using proximity tags.
