EAT-KEY-2R-KPZ

Scantronic KEY-2R-KPZ: Grade 2 Wireless Keypad for i-On Intrusion System

Description

The Scantronic KEY-2R-KPZ is a robust, Grade 2 wireless keypad offering full functionality for configuration, setting, and unsetting of compatible Scantronic and i-on intruder alarm systems. Utilising secure, two-way Scantronic Secure Radio (SSR) communication, this keypad ensures market-leading cybersecurity and installation flexibility. It is designed to simplify system expansion by including two wired zones directly on the unit, and it enhances user experience with an integrated proximity reader.
