

EAT-COM-DATA-4G-SD

Scantronic COM-DATA-4G-SD: Plug-On Communicator for Data, 4G/2G, Cloud, ARC, SMS, Speech

Description

The **Scantronic COM-DATA-4G-SD** is a powerful plug-on cellular communicator designed to provide primary 4G/2G connectivity for Eaton alarm panels. Perfect for installations without site Wi-Fi or where a dedicated cellular path is preferred, it supports both modern SecureConnect cloud services and traditional ARC, SMS, and Speech messaging.

Key Features:

- Speech and SMS over 4G (VoLTE)
- Direct programming interface via keypad
- Secure connectivity over mobile network
- Internal and External antenna
- 4G, 3G and 2G technology
- Dual path connectivity to Eaton SecureConnect
